

U.S. Congressman Mike Pence, Chairman of the American Energy Solutions Group, is leading a Congressional delegation visiting sites affected by the Gulf oil spill on Tuesday. The delegation will tour the Gulf oil spill site and meet with local officials and business owners affected by the spill. An itinerary of the trip follows:

Tuesday, August 3, 2010:

**8 AM – 9 AM** – Meeting with Plaquemines Parish President Billy Nungesser

**9 AM – 11 AM** – Meeting with Local Officials, Businessmen and Industry Leaders

**11 AM – 2 PM** – Flyover of Oil Spill Zone with Coast Guard
